

Women in NanoScience Workshop  
International Day of Women and Girls in Science 2017

**Date:** Thursday, February 9th 2017 Thursday, 14:30

**Program:**

**Session 1: 2.30 pm to 5 pm**

**2:30-3:15** Aitziber Cortajarena (CIC biomaGUNE)  
"Protein Engineering: From Nature to Nanotechnology"

**3:15-4:00** Elke Scheer (Universitat Konstanz)  
"Single-Atom and Single-Molecule Switches"

**4:00-4:45** Judith Driscoll (Cambridge University)  
"Challenges in oxide electronics"

**Coffee break**

**Session 2: 5.30 to 7.30 pm**

**5:30-6:15** María Jesús Santesmases (Department of Science, Technology and Society. CSIC)  
"Historical perspectives on women scientists in Spain"

**6:15-8:00 Roundtable:** Challenges for Women on STEM

**Wine/reception at Nanogune**
